## Location Donations for Schools

Welcome to edRover - an easy, free school fundraiser that unites businesses and families in our community.

Simply use the edRover application on your iPhone, iPod Touch or iPad to find and collect funds from local businesses that support our school.

Get uncles, aunts, grandparents, friends and neighbors involved to help us raise more funds!

## START EARNING TODAY...

1. **READY** - Download the application on your iPhone, iPod Touch or iPad (more models will be available soon) and when you register, search for and select our school.
2. **VISIT** - Open the application whenever you go out to find local businesses that support our school.
3. **EARN** - Use the application to confirm your visit. The school earns funds and you may get a special deal from the business too!
4. **SHARE** - Let your friends know about edRover and the generous businesses you've discovered.
