

## **MEAN GIRLS**

**Helping Daughters Survive  
Cliques, Gossip, Boyfriends, and  
Other Realities of Adolescence**

Parents will learn about the “Mean Girl” culture and identify the signs if their child is being affected. Strategies will be discussed to help their children navigate the challenges of the school years and support their resiliency. Particular challenges and survival skills will be emphasized. Additionally, case conferencing is included during the workshop to allow parents to discuss their specific situations.
