

SCVI Custom KOKI CARDS

SCVi CHARTER SCHOOL KEYCHAIN CARDS

Custom Koki Cards are here!!! If you have already purchased a Koki Card and wish to exchange it for a custom card, they are available. You will be able to exchange it for a custom one. Also Koki has making major changes to its website (www.kokicard.com) to make it more user friendly with the discount network incorporated into the site. The new site is up and running. Please check it out you will find it easier to navigate and

If you haven't yet purchased your Koki Card, please think of these for Holiday gifts. If you purchase these solely as a discount card you will not be disappointed. The card offers discounts such as....Target.com, Macy's, El Polo Loco, Regal Cinema, Kohls.com and much much more.....The discounts are good one full year from card activation. Example...If you went to El Pollo just four times throughout the year and used your discount (buy a combo, get a combo meal free) you'll have paid for the card.

Parents, please remember that this is our major fundraiser for SCVI with our goal being 2,000 cards sold this year. \$15.00 of each card sold goes back to our school as part of your family giving. Sell to family and friends all over the country. Also, 3 local high schools and various local non-profits will be rolling out there KOKI Card program in November, we need to benefit from our early rollout! We are only at 4% of our goal so far.

This card offers a unique benefit in that the goal is to help protect children and families from the fastest growing crime in the country; Identity Theft. Over one million school age children were victimized last year alone. We want to create awareness and protect your children. If you are confused about how the card works or what the benefits are, please contact me at hmsjilly@sbcglobal.net

Sincerely,
Melissa Brimigion
